

St. John's Catholic Church

4:00 pm Mass on Saturday, February 10, 2018 (Felton)

Featuring ORGAN music!

played by Sister Barbara Long, OP, Director, Office of Divine Worship,
Diocese of Monterey
on our repaired/refurbished RODGERS 725 Organ
(See more repair photos on back)

This Organ was donated – new- to St. John's by parishioners George & Beth Wagner in December 1980. It has not been used for years and was in need of repairs. Parishioners generously donated part of the repair funds, and the Knights of the Valley have donated the rest.

Blaine Ricketts of Ricketts Organ Service in Hayward put in hours of effort to find parts, rebuild parts and many trips to Felton to complete the repairs between the

fall of 2016 and fall of 2017. Please see more photos on the back of this flyer & please join us for the mass on February 10th. We hope to find organists to play this special instrument in the future here at St. John's. .
