Dear Brothers and Sisters,

*May You Receive the Peace and Love of Our Lord Jesus Christ!*

It is my greatest wish for you and your loved ones to receive the spirit of Peace and Joy during Christmas and the coming new year!

I am very aware of the economic challenges that we as a community of faith at St. John and as a nation are currently experiencing. For this reason, Christmas this year may perhaps be the most unforgettable celebration we will remember since the great depression of the 1920's.

Under the shadow of these challenges, I am still hopeful that we will be able to go through these times with stronger faith and a more positive outlook in life. I pray that you maintain your focus on the Lord Jesus and never get caught up by distractions of the current circumstances.

Regardless of the ever-changing circumstances of our lives, we always celebrate the Joy of having our Lord Jesus Christ in our lives. He is the reason why we can still greet one another - Merry Christmas! Let our Lord enter first into your heart so that you can find Peace within you and your loved ones in this Yuletide Season!

Merry Christmas and Happy New Year!

Through Christ Our Lord,

Fr. Roy  
Pastor

As part of the yearly tradition of our community in St John, I am appealing to your generosity that you continue to give your Christmas gift donation to our church for this year.
